Punctation is awarded with confirmations attached only, and the activity that confirmation refers can be done from 30th June previous year till 29th June of current year. Exceptions are done to permanent confirmations (disability, refugee status etc.)

Punctation:

I. Disability:

a. light degree (relevant confirmation required) (2.00 pts),
b. moderate degree (relevant confirmation required) (5.00 pts),
c. significant degree (relevant confirmation required) (10.00 pts).

II. Doctoral student's activity:

a. doctoral student's activity (students – for applicants from the first year) under university organisations – occasional (0.50 pts),
b. doctoral student's activity (students - for 1st year applicants) under university's organisations – permanent (at least 1 semester under one organisation) (1.00 pts),
c. doctoral student's activity (students - for 1st year applicants) under university's organisations – permanent (at least 1 semester under two organisations/assemblies) (1.50 pts),
d. doctoral student's activity (students - for 1st year applicants) under university's organisations – permanent (at least 1 semester under three or more organisations) (2.00 pts).

III. Voluntary work for the scientific community (such as helping to organize a conference or a workshop):

a. volunteering for the academic community – organising or co-organising a single event (0.50 pts),
b. volunteering for the academic community – organising or co-organising two events (1.00 pts),
c. volunteering for the academic community – organising or co-organising three or more events (3.00 pts).

IV. Refugee status granted in Poland or the use of temporary protection or subsidiary protection on the territory of Poland (50.00 pts).

V. Year of studies (the year of studies during which the doctoral student will stay in the Doctoral Students' House):

a. 1st year of a doctoral programme (1.00 pts),
b. 2nd year of a doctoral programme (3.00 pts),

c. 3rd year of a doctoral programme (5.00 pts),
d. 4th year of a doctoral programme (7.00 pts),
e. 5th year of a doctoral programme (7.00 pts),
f. 6th year of a doctoral programme (7.00 pts).

VI. Distance from the place of permanent residence to the University (Gołębia 24 street): 1 point for a distance greater than 300 km (confirmed by a screenshot of Google Maps).

VII. Conducting classes:

a. conducting classes or assisting in the previous academic year (10-30 hours) (1.50 pts),
b. conducting classes or assisting in the previous academic year (31-60 hours) (3.00 pts),
c. conducting classes or assisting in the previous academic year (more than 60 hours) (5.00 pts).

VIII. Articles published in peer-reviewed journals (limit of 5 articles per year):

	Journal Scoring from the Ministry of Science and Higher Education list		
Author Position[1]	≥ 140	70-100	< 70
First Author or Contribution of ≥35%	5.00	3.00	2.00
Among The First Three Authors or Contribution ≥20%	4.50	2.00	1.00
Among The First Six Authors or Contribution ≥10%	2.00	1.00	0.50
Beyond The First Six Authors or Contribution <10%	0.50	0.25	0.25

[1] In case of equal contribution claims, or if the authors are in listed in alphabetical order, the first author or the supervisor needs to confirm the percentage contributed to the article.

IX. Conferences (limit of 3 conferences per year):

a. presenting research findings as a presentation or a poster at an international scientific conference (1.00 pts),
b. presenting research results in the form of presentation or a poster at a national scientific conference (0.50 pts),

Additionally, publications in special conference editions may be awarded with points:

c. Publication of an article in a on-peer-reviewed conference edition (0.25 pts),
d. Publication of an article in a peer-reviewed conference edition equivalent to a journal with a value of 100 MNiSW points (0.25 to 3.00 points),
e. Publication of a conference article in a peer-reviewed conference issue from the list is equal to publication in a journal of 200 MNiSW points (0.50 to 5.00 points).

X. Grants (limit of 2 grants):

a. Polish ministerial grant (e.g., PRELUDIUM), in which the doctoral student is the project leader or principal investigator (4.00 pts),

b. Polish ministerial grants (e.g., NCN) or European Union grants (e.g., ERC), in which the doctoral student is NOT the project leader or principal investigator, but a participant (e.g. doctoral student) (1.00 pts),

c. JU mini-grants, in which the doctoral student is the project manager (e.g., ID UJ) (1.00 pts).

XI. Participation in workshops or summer schools (limit of 3): 0.50 pts for each.

XII. Scientific monograph (limit of 2 monographs):

a. authorship of a scientific monograph (5.00 pts),
b. co-authorship of a scientific monograph (3.00 pts),
c. editorship of a book (2.00 pts).

XIII. Scholarships (e.g. governmental, international) – limit of two (1.00 pts).

XIV. Research/scientific internship lasting more than 14 days– limit of two (1.00 pts).

XV. Review in scientific journals or peer-reviewed conference issues (see IX) (limit of 5):

a. Review in a scientific journal or peer-reviewed post-conference proceedings – Ministry (MNiSW) points ≥ 140 (1.50 pts)
b. Review in a scientific journal or peer-reviewed post-conference proceedings – Ministry (MNiSW) points 70-100 (0.75 pts)
c. Review in a scientific journal or peer-reviewed post-conference proceedings – MNiSW points <70 (0.25 pts)

XVI. In justified cases, in particular, when a PhD student raising a child or expecting the birth of a child applies for a place in the Doctoral Students' House, a place in the Doctoral Students' House may be granted without regard to the criteria.
